### KENTUCKY REPUBLICAN PLATFORM.

We are opposed to the free and unlimited coinage of silver, believing that it would involve the country in financial ruin. We believe in a sound currency and in the use of both gold and silver for coinage, provided always that a dollar in one is made precisely as valuable as a dollar in the other.

We favor a Tariff so regulated as to protect the interests of all classes of our citizens upon articles that may be successfully manufactured or produced in this country, thus insuring good wages to the laborer and a home market to the producer; and in connection with this we favor the re-establishment of the doctrine of reciprocity. We believe that such a system will defray every Government expense, gradually liquidate all indebtedness, restore public confidence and relate to the rear the undue excitement now prevailing concerning the currency. In view of the past financial history of the Democratic party, its devotion to the old state bank system and wild cat tendencies, we affirm that the Republican party can be more safely trusted to regulate the financial system of the Nation.

We favor an American policy which will protect Americans and American interests in any part of the world at all hazards and will sympathize with struggling Republics rather than ignorant monarchies.

### Uncle Sam's Shortage.

The deficit in the National Treasury for the first thirteen days of the present fiscal year is \$13,509,490. 10.

MANUFACTURERS have long known that they must contend with fraudulent undervaluations under an ad valorem Tariff system, but the growth of the frauds during the past few months has been outrageous. Here are a few of a multitude of instances.

Several lots of all wool Henrietta dress cloth were received at the New York Custom-house recently at prices quoted at less than 40 cents a yard. In almost all instances the appraisers raised the price and added the cases in which the goods were consigned.

Upon several lots of men's fast black Hiale gloves the importer had placed a price of 1.32 marks per dozen. A mark is about 24 cents, so it will be seen that these fine Hiale gloves were entered at the astonishing price of about 32 cents a dozen pairs. What is more surprising is that the goods passed through at that price with the exception of the addition of the value of the boxes.

Fourteen lots of razors were imported and prices quoted by the importer on some of them were as low as 16 cents each and none of them higher than 30 cents each.

## BROWN'S IRON BITTERS

# Stop

### a Moment

—aren't you working too hard? You know a body's apt to get so wrapped up in business that he neglects his health.

Get profit and loss and business and worry out of your head a moment, and ask yourself how you feel.

Can you eat a meal with a boyish relish? Have your nerves stood the strain? Is your constitution as good as you'd like it to be?

## Brown's Iron Bitters

will set your health right. It will cleanse and enrich the blood—gently stimulate the action of the kidneys, the liver and the digestive organs. That's what it's made for, and thousands of happy homes all over the land testify that it has not been made in vain.

Brown's Iron Bitters is pleasant to take. It will not stain the teeth nor cause constipation. See the crossed red lines on the wrapper.

BROWN CHEMICAL CO., BALTIMORE, MD.

## BROWN'S IRON BITTERS

How many articles are admitted day by day at such unfair prices, thereby coming into competition with American goods upon unjust terms, is of course unknown. Not only is the Government Treasury thereby defrauded, but the operatives in American mills are subjected to a ruinous competition. The sweeping reductions in the duties on imported goods in the textile lines have greatly increased the importations of that class of goods and the frauds have increased proportionately with greater rapidity even than have the importations.

The Republican plan was to place a specific duty on foreign goods, so there should be no room for fraud in the Tariff. The Democratic plan is to place an ad valorem duty on foreign goods, and as a result there is just now a reeking scandal in the New York Custom-house, because of the undervaluation of goods, resulting in immense frauds upon the Government and the consequent enrichment of the rascals who are in authority there.

T. W. Collier has been appointed Postmaster at Garrison, Lewis county.

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

## The Monk!

By MATTHEW G. LEWIS.

(MONK LEWIS.)

Mr. Lewis was a member of the British Parliament, and his book became so popular in England and a hundred years ago that it gained for him the title of "Monk Lewis."

It is a fine piece of classic composition, and after being out of print for many years it has been republished from the original text.

It is far superior to "Monsieur Monk" and books of that character.

## THIRD DAY

### Of the Great Christian Endeavorer Convention.

#### The Usual Morning Prayer Meetings Were Held in the Churches.

Rev. H. F. Shupe, of Dayton, O., Presided at Forenoon Session—Flag Presented to the Syracuse Union for Best Work in Promoting Christian Citizenship.

BOSTON, July 15.—The third full day of the great Christian Endeavorer Convention, international citizenship day, opened with the same fair sky and cool atmosphere which characterized its predecessors. The usual early morning prayer meetings were held from 6:30 to 7:15 a. m. in various churches, and were 21 in number, some prominent visiting divine presiding at each. As usual they were crowded. Mechanics hall contained a great throng at 9:30 when the forenoon session opened. Rev. H. F. Shupe, of Dayton, Ohio, one of the Christian Endeavor trustees, presided, and George C. Stebbins led the usual twenty minutes' praise service.

The first formal exercise was the presentation of a banner to the union representing the best work in promoting Christian citizenship. Rev. C. M. Southgate, of Worcester, Mass., made a happy speech of presentation and handed the flag to the representative of the Syracuse, N. Y., union, who as happily responded. Congressman Morse, of Massachusetts, then delivered one of his stirring addresses.

After singing, Hon. Neal Dow, of Portland, Me., the veteran prohibition advocate, was introduced to the audience, and was greeted with applause and waving of banners.

The address of the morning was then delivered by Bishop Alexander Walters, D. D., of Jersey City.

At 12:15 p. m. Rev. J. Wilbur Chapman, D. D., of Albany, addressed a large gathering in Faneuil hall.

Tent Williston, on Boston Common, was also packed at the opening of the morning session. President Clark presided and George J. Somersby, of Boston, led the twenty minutes' praise service. Six speeches called "Voices from North America" were delivered by Rev. D. C. McDonald, of Grafton, N. D., "A Voice from the North;" Prof. W. A. Taylor, Birmingham, Ala., "A Voice from the South;" Rev. J. A. Allison, D. D., of Seattle, Wash., "A Voice from the West;" Miss Charlotte Thorndyke, Belfast, Me., "A Voice from the East;" and Rev. Mungo Fraser, of Hamilton, Ont., "A Voice from Canada."

All were full of encouragement because of results accomplished and enthusiasm in view of results expected.

In this tent Rev. C. L. Morrill, D. D., of Denver, presented the banner to the local union, representing the best work in promoting Christian citizenship.

After singing Bishop B. W. Arnold, D. D., of Wilberforce, O., delivered the principal address on "The Responsibilities and Possibilities of an American Citizen."

The meeting then dissolved and the audience joined the great crowd at the open air meeting around the soldier's monument. As vast a concourse as could crowd beneath the canvas was present in tent Endeavor when Trustees Rev. J. M. Lowden, of Boston, opened the forenoon meeting, and Percy S. Foster, of Washington, D. C., began the preliminary prayer service.

"The voice from North America" was also the feature of the occasion.

Rev. Wm. G. Clarke, D. D., of Chicago, then conducted a very interesting open parliament on the topic, "What are you doing for Christian citizenship?" this was followed by a repetition of the presentation of a banner to the local union representing the best work in promoting Christian citizenship, the presentation speech being made by Rev. Edward Young, of Newark, N. J. This great gathering then joined the larger one at the open air meeting outside.

Girl Cousins Drowned.

CLEVELAND, O., July 15.—Two girls named Flora Gedeon and Mary Tommasch, who accompanied an excursion from this city to Chippewa lake, were drowned Sunday by the capsizing of a rowboat. The girls went out rowing with Adolph Schwartz. When they were quite a distance from shore they tried to exchange places with each other, and the skiff was overturned. Schwartz clung to the boat and was rescued, while his companions sank at once. Their bodies were not recovered. The girls were cousins.

Donation for University of Pennsylvania.

PHILADELPHIA, July 15.—The first donation to the proposed \$5,000,000 endowment fund for broadening the scope of the University of Pennsylvania came on Saturday. War Medal Found.

WASHINGTON, July 15.—A laborer on the farm of Dr. Gustavus Brown, a few miles west of this city, unearthed a gold medal about the size of a \$10 gold piece. On one side is a vignette of Gen. George B. McClellan, encircled with the letters of his name, and on the other side appears the name of Franklin G. Pulisipher, Company Q, Twelfth Vermont Volunteers. It is supposed that the medal was lost during the late war.

Killed Her Two Children With a Hatchet.

SHEPHERD, Ill., July 15.—Mrs. J. Debay, of Annawan, in a crazy fit, killed her two children, aged 3 and 8 years, by clubbing their skulls with a hatchet. Mrs. Debay had recently been liberated from an insane asylum. She and her husband had trouble, and it was when angry at her husband that she did the terrible deed. She is under arrest.
